BUILDERS OF DISTINCTION FOR AUSTRALIA'S LEADING DEVELOPERS

Feast your eyes on the complete collection of exquisite new Creation Homes. The designer homes and townhouses that have set the benchmark for quality, style and value in Australia. Included are Creation Homes' most popular contemporary residences, created for living modern life to the full.

Creation Homes have raised the bar on 6-star rated designer homes and townhomes.

With a heritage going back decades, our Directors know precisely what new home buyers want and have the experience and resources to deliver.

A clear demonstration of our ongoing dedication to the improvement of internal management (quality) systems, this accreditation gives our clients even greater confidence in the services we provide.

Adherence to highest standards of quality - without compromise - are a running theme through Creation Homes' entire operation, not only our Workplace Health and Safety Policies.

Our quality control procedures are similarly exhaustive and regardless of a project's size or complexity, each individual dwelling is independently inspected, ensuring what's delivered to you is exactly as promised on paper.

A RESPECTED DEVELOPER AND BUILDER YOU CAN TRUST.

With offices across the country, Metro is one of Australia's most successful and respected property developers.

Metro Property Development is the perfect fusion of extensive experience, unmatched passion and vision for the future. Founded by respected property developers David Devine and Ken Woodley, Metro is led by Managing Director and CEO Luke Hartman. The combined knowledge and foresight of the team has seen Metro become one of Australia's leading independent property developers. Nimble, entrepreneurial and adaptable, the company has delivered more than 30,000 homes and apartments for Australian families.

MASTER PLAN

This renowned growth region is set to benefit from significant infrastructure investment including the new Western Sydney Airport at Badgerys Creek. Future Amenities for the Area include:
