Treasure Your Lifestyle

Thoughtfully designed, with everything at your doorstep, Watermark is an address that offers the grounded and balanced lifestyle you've always dreamed of.

With its excellent location and landscape masterplanned design, Watermark will flourish into a 550-lot address, with meandering waterways, tree-lined streets and winding bike paths all leading to parklands located at the heart of the community.

Removed from the hustle and bustle of everyday life,
at Watermark you have the opportunity to build your
dream home in a close-knit community.

Perfectly positioned on Barwon Heads Road, Charlemont, Watermark is conveniently nestled only 10 minutes from the Geelong CBD and less than 15 minutes to Barwon Heads and the sandy Surf Coast beaches.

Never travel far for a range of local amenities as Watermark is the closest new community to Marshall Train Station, just 3 minutes away. Additionally there is a wide selection of retail, leisure and sporting facilities including Waurin Ponds Shopping Centre, Deakin University and the mighty Kardinia Park.

The Masterplan

The serene Watermark wetlands set the scene to enjoy local birdlife and watch the sunset on warm nights.

Shared walking and bike paths that meander along the wetland networks create interconnectivity throughout the site, and the on-site health and fitness circuit is perfect for your morning fitness campaign. Watermark's walking and bike trails will also link with the future Regional Active Open Space on the western boundary with the future Regional Playground to the east.

The team at Watermark are working closely with some of Australia's most reputable builders to create beautiful house and land packages that will suit a range of buyers. Whether making the big leap into the housing market as a first homebuyer, or upgrading with some space to a second or third home with grand vistas, there will be a home site to suit everyone.

To ensure Watermark's vision is achieved, Design Guidelines have been carefully considered to create quality homes and beautiful streetscapes. With these guidelines in place Watermark residents can be confident knowing they are investing in a quality community that will stand the test of time.

Treasure Every Day

At Watermark a balanced and treasured lifestyle is not just an aspiration but also a reality; where work and play thrive harmoniously together.

Precious time spent with your family and loved ones no longer has to be sacrificed for lengthy commutes to work.

The Geelong CBD and a broad range of employment hubs are only 10 minutes away. If Melbourne is the destination, our proximity to Marshall Train Station will ensure you'll always get a seat and not be governed by the inadequacies of the Westgate Bridge.

ID_Land was founded with a vision to create unique and inspiring residential communities. With a focus on master-planned communities and medium density townhouse developments, ID_Land's projects now span communities in Mernda, Officer, Brunswick, Truganina, Plumpton and Geelong. ID_Land is dedicated to creating communities defined by their quality, amenity and location to ensure that residents of an ID_Land community are in good hands, both now and into the future.

Costa Property Group has extensive expertise in delivering residential estates: from small subdivisions to large master planned communities. Costa Property Group was established in 2003 to acquire and develop residential estates and invest in strategic commercial properties. Costa's successes to date are predicated on a simple formula: form strategic alliances with leading partners, deliver on promises, and apply their broad experience to every project in an imaginative way.
