

The Grove: Project Overview

- The site is located in Tarneit, just 31km west of Melbourne CBD, located within the City of Wyndham
- Situated on either side of Davis Road and bordered by the Werribee River and Davis Creek
- Strategically located within Melbourne's fast growing western corridor and within close proximity to existing and proposed residential services and amenities including the new Tarneit Railway station, schools and shops
- The 167-hectare site comprises 1780 residential lots
- On completion, the entire site will include over 2,600 homes, a neighbourhood community activity centre, two schools and a network of parks linked to Davis Creek and Werribee River.
- The masterplan provides all necessary amenity, with proposed primary and secondary schools, shops, community facilities, a future sporting oval, cycle paths, parkland, creeks and waterways.
- Offering easy access to the CBD – 30 minutes via major road networks
