IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, EXCEPT in the circumstances listed in paragraph 3.
3. There is NO COOLING OFF PERIOD:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

Australian Taxation Office	NSW Fair Trading
Council	NSW Public Works Advisory
County Council	Office of Environment and Heritage
Department of Planning and Environment	Owner of adjoining land
Department of Primary Industries	Privacy
East Australian Pipeline Limited	Roads and Maritime Services
Electricity and gas	Subsidence Advisory NSW
Land & Housing Corporation	Telecommunications
Local Land Services	Transport for NSW
NSW Department of Education	Water, sewerage or drainage authority

If you think that any of these matters affects the property, tell your solicitor.

2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay stamp duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- 4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.
- 5 Requisitions**
- 5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.

- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

- The purchaser can make a claim (including a claim under clause 6) before completion only by *servicing* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

- 7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and
- 7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –
- 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
- 7.2.2 the amount held is to be invested in accordance with clause 2.9;
- 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
- 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
- 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
- 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

- 8.1 The vendor can *rescind* if –
- 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
- 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
- 8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

- 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;
- 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
- 8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

- If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *servicing* a notice. After the *termination* the vendor can –
- 9.1 keep or recover the deposit (to a maximum of 10% of the price);
- 9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –
- 9.2.1 for 12 months after the *termination*; or
- 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and
- 9.3 sue the purchaser either –
- 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –

 - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
- 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

- 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
- 10.1.4 any change in the *property* due to fair wear and tear before completion;

- 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
- 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).
- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).
- 11 Compliance with work orders**
- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.
- 12 Certificates and inspections**
- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
- 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
- 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make an *RW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of an *RW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *RW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 *serve* evidence of receipt of payment of the *RW payment*.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can *serve* a notice to complete if that *party* is otherwise entitled to do so.

16 Completion**• Vendor**

- 16.1 On completion the vendor must give the purchaser any *document of title* that relates only to the *property*.
- 16.2 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.
- 16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
- 16.4 The legal title to the *property* does not pass before completion.
- 16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgement fee to the purchaser, plus another 20% of that fee.
- 16.6 If a *party serves* a land tax certificate showing a charge on any of the land, on completion the vendor must give the purchaser a land tax certificate showing the charge is no longer effective against the land.

- deposit paid;
 - *remittance amount* payable;
 - *RW payment*; and
 - amount payable by the vendor to the purchaser under this contract; and
- 16.7.2 any other amount payable by the purchaser under this contract.
- 16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay \$10 for each extra *cheque*.
- 16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.
- 16.10 On completion the deposit belongs to the vendor.

• Place for completion

- 16.11 *Normally*, the *parties* must complete at the completion address, which is –
- 16.11.1 if a special completion address is stated in this contract - that address; or
- 16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or
- 16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.
- 16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.

17 Possession

- 17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.
- 17.2 The vendor does not have to give vacant possession if –

- 17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).
- 17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Part 2, 3, 4 or 5 Landlord and Tenant (Amendment) Act 1948).

18 Possession before completion

- 18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
- 18.2 The purchaser must not before completion –
- 18.2.1 let or part with possession of any of the *property*;
- 18.2.2 make any change or structural alteration or addition to the *property*; or
- 18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.
- 18.3 The purchaser must until completion –
- 18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
- 18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –
- 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and

18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.

18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.

18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

19.1.1 only by *servicing* a notice before completion; and

By-Laws for Infinity by Crown Group - Residential 2

1. About the by-laws

1.1 Purpose of the by-laws

The by-laws regulate the day-to-day management and operation of the Building. They are an essential document for the Owners Corporation and everyone who owns or occupies an Apartment.

1.2 Who must comply with the by-laws?

Owners and Occupiers must comply with the by-laws. The Owners Corporation must comply with the by-laws.

2. Strata Management Statement

2.1 Purpose

The Strata Management Statement regulates the management and operational issues affecting the Building and the various components of Infinity by Crown Group. It contains requirements (in addition to these by-laws) with which you and the Owners Corporation must comply including:

- (a) requirements for the use and operation of Shared Facilities; and
- (b) the apportionment of costs for Shared Facilities; and
- (c) insurance requirements.

2.2 Who must comply with the Strata Management Statement

You and the Owners Corporation must comply with the Strata Management Statement.

2.3 Copies of the Strata Management Statement

You should contact the Strata Manager if you would like a copy of the Strata Management Statement, at your cost.

2.4 Building Management Committee

- (a) The Building Management Committee is established under the Strata Management Statement to administer issues affecting the Building and the various components of Infinity by Crown Group. The Owners Corporation is a member of the Building Management Committee.
- (b) The Strata Committee is authorised to appoint a representative to represent and vote for the Owners Corporation at meetings of the Building Management Committee. That representative may be a member of the Strata Committee. If the Strata Committee

Approved Form 7	Strata Plan By-laws	Sheet 5 of 55 sheets
Registered:  14.5.2019	Office use only <h1 style="margin: 0;">SP92074</h1>	

does not appoint a representative, the Owners Corporation must, by special resolution according to the Development Act, appoint a representative to represent and vote for it at meetings of the Building Management Committee.

2.5 Consents under the Strata Management Statement

Nothing in the by-laws gives you or the Owners Corporation consent to do anything which is prohibited or regulated by the Strata Management Statement. A consent under the by-laws does not relieve you or the Owners Corporation from obligations to obtain consents under the Strata Management Statement.

2.6 Inconsistencies between the by-laws and the Strata Management Statement

If there is an inconsistency between a by-law and the Strata Management Statement, the Owners Corporation must amend the inconsistent by-law to make it consistent with the Strata Management Statement.

2.7 Retail and commercial components of Infinity by Crown Group

- (a) Infinity by Crown Group contains residential, retail and commercial components. Owners and Occupiers of premises in the retail and commercial components will, subject to compliance with the by-laws for the retail or commercial strata scheme (if any) and the Strata Management Statement, be entitled to use their lots for any purpose approved by Council and other Government Agency having jurisdiction, which may include uses that have outdoor seating areas.
- (b) The hours of use of the retail and commercial premises and any associated outdoor seating areas will be as permitted by Council but subject to any limits in the strata by-laws for the retail or commercial strata scheme (if any) and in the Strata Management Statement.

3. Common Property Rights By-Laws

3.1 Purpose of the Common Property Rights By-Laws

To more fairly apportion the costs for maintaining, repairing and replacing Common Property, the Common Property Rights By-Laws make Owners responsible for the Common Property which they exclusively use or have the benefit of.

3.2 Interpreting this by-law

In this by-law, "you" means an Owner who has the benefit of a Common Property Rights By-Law.

3.3 How to change a Common Property Rights By-Law

The Owners Corporation may, by special resolution:

- (a) create, amend or cancel a Common Property Rights By-Law with the written consent of each Owner who benefits (or will benefit) from the Common Property Rights By-Law; and

Approved Form 7	Strata Plan By-laws	Sheet 6 of 55 sheets
Registered:  14.5.2019	Office use only SP92074	

- (b) amend or cancel this by-law only with the written consent of each Owner who benefits from a Common Property Rights By-Law.

3.4 Occupiers may exercise rights

You may allow another Owner or an Occupier to exercise your rights under a Common Property Rights By-Law. However, you remain responsible to the Owners Corporation and, where appropriate, Government Agencies to comply with your obligations under the Common Property Rights By-Law.

3.5 Regular accounts for your costs

If you are required under a Common Property Rights By-Law to contribute towards the costs of the Owners Corporation, the Owners Corporation must give you regular accounts of the amounts you owe. The Owners Corporation may:

- (a) include those amounts in notices for your administrative fund or capital works fund contributions; and
- (b) require you to pay those amounts in advance and quarterly (or for other periods reasonably determined by the Owners Corporation).

3.6 Repairing damage

You must repair damage you cause (or someone acting on your behalf causes) to Common Property or the property of another Owner or Occupier when exercising your rights or complying with your obligations under a Common Property Rights By-Law.

3.7 Indemnities

You indemnify the Owners Corporation against all claims and liability caused by exercising your rights or complying with your obligations under a Common Property Rights By-Law.

3.8 Additional insurances

In addition to your obligations under by-law 31 (Insurance premiums), you must reimburse the Owners Corporation for any increased premium for its insurance policies caused by exercising your rights or performing your obligations under a Common Property Rights By-Law.

4. Your behaviour

4.1 What are your general obligations?

Notes:

Note 1: Relative GFA is the relative useable floor areas of the components of the Building, being, for each Stratum Lot, the sum of the floor areas within the walls or other external limits, less areas used as plant rooms (such as mechanical plant and equipment rooms), electrical equipment and switchrooms, tank rooms, lift motor rooms, meter cupboards and rooms, telecommunication switchrooms, refuse collection areas, loading docks, service bays and car parking spaces, lift shafts, service ducts and fire stairs. However, if the predominant use of a Stratum Lot is any of these excluded uses (such as for the housing plant and equipment or as a car park), areas used for these purposes will be included in the GFA.

The GFA areas on each level are recorded in the table at the end of these notes. The GFA areas (rounded) are as follows:

- (b) A right may only be waived in writing, signed by the party giving the waiver, and:
 - (i) no other conduct of a party (including a failure to exercise, or delay in exercising, the right) operates as a waiver of the right or otherwise prevents the exercise of the right;

- (f) **Law** includes any statute, regulation, ordinance, by-law, order, consent or requirement, present or future, whether local, state, federal or otherwise, or industry code or Australian standard, and any Network Standard. It also includes any amendment, consolidation or replacement of them.
- (g) **Lessee** means the lessee described on the front page of this Lease (and where the context permits, its employees, agents and contractors), and its successors and assigns.
- (h) **Lessee's Costs of Relocation** means the Lessee's reasonable estimate of the costs (including any administrative, design, approval, consulting, legal, stamp duty, registration, consultant's or other costs) which have been or will be incurred by it in connection with:
 - (i) removing the Lessee's Electricity Works from the Premises or the Property; and
 - (ii) if required under this Lease, relocating, whether permanently or temporarily, the Lessee's Electricity Works or installing new Electricity Works at the Temporary Location or the New Location or both.

The Lessee may determine such costs in accordance with its standard practices. A certificate signed by a general manager, authorised representative of a general manager or internal auditor of the Lessee as to the Lessee's Costs of Relocation is prima facie evidence of such costs.

- (i) **Lessor** means the lessor described on the front page of this Lease and its successors and assigns (or, if the Lessor is a natural person, its executors, administrators and assigns) and in either case its employees, agents and contractors.

- (j) **Lessor's Supply Requirements** means the amount of electrical load to be supplied to the Property from the Electricity Works contained within the Premises as agreed from time to time between the Lessee and the Lessor.

- (o) **Property** means the Land and/or building in which or upon which the Premises are situated.
- (p) **Terminating Date** means the date so described on the front page of this Lease.
- (q) **Transmission System** has the meaning it has in the Electricity Supply Act.

2 (Interpretation)

Unless the contrary intention appears:

- (a) the singular includes the plural and vice versa;
- (b) an agreement, representation or warranty on the part of two or more persons binds them individually and together (that is, jointly and severally).
- (c) a reference to a statute includes all regulations, proclamations, ordinances and by-laws issued under it and consolidations, amendments, re-enactments or replacements of any of them;
- (d) "including", when introducing an item or items, is illustrative only, not exhaustive;
- (e) a reference to the whole includes part; and
- (f) a reference to a person includes a body corporate and a partnership.

3 (Implied Covenants and Powers)

The obligations and powers implied by sections 84, 84A and 85 of the *Conveyancing Act 1919* are excluded.

4 (Statutory Powers and Functions)

Nothing in this Lease affects the Lessee's powers, rights and functions under the Electricity Supply Act and the Electricity (Consumer Safety) Act.

5 (Rent)

At the end of the term, the Lessee must pay the rent of \$1.00 per annum (if demanded in writing).

6 (Use of the Premises)

The Lessee may:

- (a) use the Premises as an electricity substation;
- (b) from time to time install, extend, alter, construct, dismantle, inspect, repair, replace, renew and maintain on and within the Premises such Electricity Works or other plant and equipment as the Lessee determines; and
- (c) use Electricity Works contained within the Premises to supply other Customers whether directly or indirectly from the Distribution System.

7 (Access)

The Lessee may, and the Lessor must ensure that the Lessee and persons authorised by it may, access the Premises 24 hours a day without restriction, with or without tools, materials, plant and other apparatus. The Lessor must supply the Lessee with keys or any other device which may be necessary to obtain access.

8 (Security of the Premises)

- (a) The Lessee will ensure that all exterior doors and any other point of access in or to the Premises, are securely fastened at all times when the Lessee's employees, agents or contractors are not in attendance on the Premises.
- (b) If the Lessor becomes aware that those exterior doors or points of access are not securely fastened, it must promptly notify the Lessee.

9 (Lessee's Electricity Works)

The Electricity Works installed in, affixed to or in the Premises, the Property or any easement created in connection with this Lease, remain the Lessee's property, even after the Lease ends, and may be removed by the Lessee.

10 (Services to the Premises)

- (a) In this clause, '**Upgrade**' means alteration, modification or upgrade to the Premises (excluding the Electricity Works) or to the services to the Premises, or to any easement or right of way referred to in the Plan, necessary:
 - (i) for the safe use of the Premises, easement or right of way; or
 - (ii) for the Premises, easement or right of way to comply with a Network Standard.
- (b) The Lessee may notify the Lessor of any Upgrade which the Lessee (acting reasonably in order to comply with relevant Laws) considers is necessary.
- (c) The Lessor must, at the Lessor's cost, promptly carry out the Upgrade in a proper and workmanlike manner in accordance with all Laws and the requirements of all relevant authorities.
- (d) if the Lessor does not carry out the Upgrade promptly after receiving the Lessee's notification, the Lessee may:
 - (i) cease to operate the Electricity Works in the Premises or to supply electricity to the Property until the Upgrade has been carried out, if it, acting reasonably, believes it is unsafe to continue operation; and/or

- (ii) elect to carry out the Upgrade. The Lessor must pay all costs incurred by the Lessee in connection with the Upgrade promptly on receipt of a tax invoice (as that term is defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) from the Lessee setting out such costs.

11 (Repair)

The Lessee must within a reasonable time repair any damage to the Premises or any other part of the Property caused by the Lessee's wilful or negligent act or omission, or its default under this Lease.

12 (Lessee Works)

The Lessee:

- (a) must not (except in the case of an emergency) alter, interfere with or make any connections to the Lessor's fixtures or services without the Lessor's consent (however, the Lessor must not unreasonably withhold its consent); and
- (b) must ensure that any works it carries out within the Premises are carried out in a proper and workmanlike manner and in accordance with all Laws and the requirements of all relevant authorities.

13 (Use of Common Areas)

The Lessee may, for the purposes of this Lease, use any areas of the Property provided by the Lessor for common use, but must obey all reasonable directions and rules notified by the Lessor relating to the use of those areas.

14 (Lessor to Maintain)

The Lessor must:

- (a) maintain in a serviceable condition any right of way or easement referred to in the Plan and any drainage system which may affect the Premises;
- (b) ensure that any safety equipment, ventilation, air ducting and doors provided for the Premises are not obstructed or impaired;
- (c) ensure that any part of the Property which encloses or forms part of the Premises (including any external doors, gates, ventilation panels and external finishes) is structurally stable, in good condition and complies with all Laws and the requirements of all relevant authorities;
- (d) take all necessary steps to keep dry the internal surfaces and spaces within the Premises;
- (e) not do anything or omit to do anything that might contravene a Network Standard or adversely affect the Lessee's use of the Electricity Works; and
- (f) immediately repair any damage to the Premises caused by the Lessor's act or omission, negligence, or default under this Lease.

15 (Lessor Works)

- (a) The Lessor must not without the Lessee's prior written consent:
 - (i) alter existing ground levels on or adjacent to the Premises or to any easement created in connection with the Lease; or

- (ii) carry out any works (including any storage, demolition, excavation, erection, installation, maintenance, alteration, removal or replacement) within, above, below, or which may detrimentally affect, the Premises, the ventilation provided for the Premises or any easement created in connection with this Lease.

- (b) If the Lessee consents to the Lessor carrying out the works referred to in clause 15(a), it may impose such reasonable conditions with respect to its consent as it determines.

16 (Quiet Employment)

The Lessor covenants with the Lessee that, subject to the Lessee performing its obligations under this Lease, the Lessee may peaceably possess and enjoy the Premises for the term of the Lease, without any interruption or disturbance from the Lessor.

17 (Damage and Destruction)

- (a) The Lessor must immediately notify the Lessee if the Premises are damaged, affected or destroyed so as to become substantially inaccessible or unfit for use in accordance with this Lease.
- (b) The Lessee may terminate this Lease by giving the Lessor not less than 30 days' notice after the damage, affectation or destruction occurs.
- (c) If the Lessee terminates this Lease under clause 17(b), neither party is liable to the other for damages, costs or expenses, unless arising out of a breach of this Lease occurring before the termination.

18 (Easements)

- (a) The Lessee has the full right, liberty and licence for itself and its employees, agents and contractors with or without tools, materials, plant and other apparatus, and vehicles to pass and repass at all times of the day or night during the term of this Lease over any land marked "Right of Way" on the Plan ("right of way") and, during such times as the Lessee considers necessary, to park vehicles upon the right of way.
- (b) The Lessee has the full right, liberty and licence for:
 - (i) itself and its employees, agents and contractors at all times of the day or night during the term of this Lease to construct, lay down, dismantle, replace, repair, renew and maintain underground and/or overhead electricity cables through, beneath or over any land marked "Easement for Electricity Purposes" or "Easement for Electricity Works" on the Plan ("easement"); and
 - (ii) free and uninterrupted passage of electricity and signals through the cables within the easement.

19 (Demolition)

If the Lessor wishes at any time to demolish improvements on or about the Property in a manner inconsistent with the Lessee's rights under this Lease:

- (a) the Lessor must give the Lessee at least 12 months' prior written notice that it intends to demolish the improvements;

- (b) the Lessee must surrender this Lease within a reasonable time after all of the following have occurred:
 - (i) the 12 months' notice period has expired; and
 - (ii) the Lessor and all the Lessor's tenants or other occupants of the Property (other than the Lessee) have vacated the Property; and
 - (iii) the Lessee has transferred its Electricity Works from the Premises to a new location and has connected it and/or other or additional Electricity Works to the Distribution System; and
- (c) the Lessor must pay the Lessee's reasonable legal costs and all stamp duty and registration fees in connection with the surrender of this Lease.

The parties acknowledge that any new supply to the Property will be the subject of a new customer connection contract and that the Lessor will be responsible for the costs of establishing that new supply.

20 (Relocation of Premises)

If the Lessor at any time wishes to construct, install, remove, redevelop or otherwise change improvements on or about the Property in a manner inconsistent with the Lessee's ongoing rights under this Lease, but wishes to maintain electricity supply to the Property while doing so:

- (a) the Lessor must give the Lessee at least 12 months' prior written notice, and consult with the Lessee, in relation to the relocation of the Premises;
- (b) the Lessor may, after such consultation, nominate for the Lessee's approval:
 - (i) a new location or locations for the Premises on the Property ('**New Location**'); and
 - (ii) if required by the Lessee, a temporary location for the Premises ('**Temporary Location**'),

which must both be of a size and standard stipulated by the Lessee and must comply with the Law;

- (c) if the Lessee approves of a Temporary Location and/or New Location, the Lessee will at its discretion, subject to clause 20(e), relocate the Electricity Works or install new Electricity Works including any required additional Electricity Works at the Temporary Location and/or New Location within a reasonable time;
- (d) after the completion of the construction, installation, removal, redevelopment or other change to improvements on or about the Property, the Lessee will, subject to clause 20(e), relocate the Electricity Works or install new Electricity Works including any required additional Electricity Works at the New Location within a reasonable time after receiving notice of completion;
- (e) before any relocation or installation under this ^{clause} 20, ~~at~~ the Lessor must pay to the Lessee the Lessee's Costs of Relocation as a debt due and payable to the Lessee; and
- (f) immediately upon each relocation or installation under this clause 20, at the Lessor's cost:

- (i) the Lessor must do all things necessary to grant to the Lessee a registered lease on the same terms as this Lease (with only those changes necessary to make it appropriate to the Temporary Location or the New Location, as the case may be); and
 - (ii) the Lessee will do all things necessary to surrender this Lease and accept a new lease in its place.
- (g) For the purposes of clause 20(c) and 20(d), "reasonable time" will be the time that in the Lessee's reasonable opinion it will require:
- (i) to transfer Electricity Works from the Premises to the Temporary Location and/or the New Location or to install new Electricity Works;
 - (ii) to install additional Electricity Works if required; and
 - (iii) to connect the Electricity Works to the Distribution System.

21 (Make Good)

On the expiration or the earlier termination of this Lease, the Lessee:

- (a) must vacate the Premises;
- (b) must decommission the Lessee's Electricity Works contained in the Premises or the Property; and
- (c) may remove all the Lessee's Electricity Works in or on the Premises or the Property, which were not installed by the Lessor.

22 (Restoration)

On vacating the Premises, the Lessee must:

- (a) remove all rubbish;
- (b) repair any damage it has caused in the course of removing its Electricity Works, except that:
 - (i) the Lessee need not re-instate any permanently finished surfaces damaged by the removal;
 - (ii) if the ground is dug up in the removal, the Lessee need only backfill and temporarily seal the opening;
 - (iii) the Lessee need to rectify or renew any landscaping; and
 - (iv) the Lessee need not restore or replace any thing erected in or on or obstructing any easement or right of way shown in the Plan, if that thing has been damaged or removed in the course of the removal.

23 (Indemnities)

The Lessor and the Lessee covenant as follows:

- (a) The Lessee indemnifies the Lessor against all losses, damages and costs incurred by the Lessor which arise directly out of the Lessee's negligence in exercising its rights under the Lease or as a direct result of the wilful misconduct of the Lessee, its employees or agents or contractors. Any liability of the Lessee under this indemnity is to be proportionately reduced to the extent that any losses, damages or costs are caused or contributed to by:

- (i) negligent or wilful acts or omission of the Lessor, its employees or agents or contractors, the Lessor's tenants or other occupants of the Property (other than the Lessee) under any arrangement and whether with or without the Lessor's consent; or
 - (ii) any breach by the Lessor of any provision of this Lease; or
 - (iii) any failure by the Lessor to comply with any Law.
- (b) The Lessor indemnifies the Lessee against all losses, damages and costs incurred by the Lessee which arise directly out of negligent or wilful acts or omission of the Lessor, its employees or agents or contractors or other occupants of the Property (other than the Lessee) under any arrangement and whether with or without the Lessor's consent. Any liability of the Lessor under this indemnity is to be proportionally reduced to the extent that any losses, damages or costs are cause or contributed to by:
- (i) negligent or wilful acts or omissions of the Lessee, its employees or agents or contractors; or
 - (ii) any breach by the Lessee of any provision of this Lease; or
 - (iii) any failure by the Lessee to comply with any Law.

24 (Assignment and Subletting)

- (a) Subject to the remainder of this clause 24, the Lessee must not assign, transfer or dispose of its interest under this Lease to any entity that is not a New South Wales authority, agency or State-owned corporation without the prior written consent of the Lessor, which consent cannot be unreasonably withheld.
- (b) However, clause 24(a) does not apply to any assignment by the Lessee in connection with a disaggregation of the Lessee into separate retail and distribution businesses or entities, which assignment is permitted without the Lessor's consent.
- (c) The Lessor consents to the Lessee subleasing the whole of the Premises to a person who is a lessee of the Lessee's electricity transmission and distribution network in New South Wales.
- (d) The Lessor agrees that a sublessee of the whole of the Premises referred to in clause 24(c) may sub-sublease the whole of the Premises to a person to who is a sublessee of the Lessee's electricity transmission and distribution network in New South Wales.
- (e) Despite any sublease as referred to in clause 24(c), or any sub-sublease as referred to in clause 24(d), the Lessee remains liable under the Lease and is not released from its obligations under this Lease.
- (f) Despite anything else contained in this Lease, the Lessor acknowledges and agrees that a sublessee of the Premises as referred to in clause 24(c), or any sub-sublessee of the Premises as referred to in clause 24(d), may exercise the rights and perform the obligations of the Lessee under this Lease as if that sublessee or sub-sublessee were the Lessee.
- (g) In furtherance of clause 24(f), a reference in this Lease to the Lessee's employees, agents, contractors and persons authorised by the Lessee will be

deemed to include the employees, agents and contractors of, and persons authorised by, the sublessee or sub-sublessee referred to in clause 24(f).

- (h) The Lessor may assign its interest in this Lease upon prior written notice to the Lessee.

25 (Holding over)

If the Lessee continues to occupy the Premises beyond the expiry of this Lease:

- (a) the Lessee occupies the Premises as a tenant from year to year at a rental equal to the rent set out in clause 5; and
- (b) the tenancy will continue on the conditions of this Lease so far as they are applicable to a tenancy from year to year.

26 (Costs)

- (a) Subject to clause 19 and 20 of this Lease, each party must pay their own costs, charges and expenses (including legal costs) in relation to preparing, negotiating and executing this Lease.
- (b) The Lessor must pay any costs in connection with:
- (i) obtaining all consents in relation to this Lease; and
 - (ii) the Lessee considering any proposed relocation of the Premises, including any temporary relocation (and regardless of whether relocation occurs).
- (c) Subject to clause 19 and 20, the Lessee must pay all stamp duty and registration fees in connection with this Lease.
- (d) A party who defaults ('**Defaulting Party**') must pay the other party's reasonable costs and disbursements in connection with the other party exercising rights to take action because of the Defaulting Party's default.

27 (Rates and Taxes)

The Lessor must pay any rates and taxes that may be levied in connection with the Premises or in connection with that part of the Property of which that Premises form part.

28 (GST)

- (a) Words and expressions used in this clause which are defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) have the same meaning in this clause.
- (b) Any consideration to be paid or provided for a supply made under or in connection with the Lease unless expressly described in this Lease as 'GST Inclusive', does not include any amount on account of GST.
- (c) Despite any other provision in the Lease, if a party ('**Supplier**') makes a supply under or in connection with this Lease on which GST is imposed (not being a supply the consideration for which is specifically described in the Lease as '**GST inclusive**'):
- (i) the consideration payable or to be provided for that supply under this Lease but for the application of this clause ('**GST exclusive consideration**') is increased by, and the recipient of the supply

('Recipient') must also pay to the Supplier, an amount equal to the GST exclusive consideration multiplied by the prevailing rate of GST; and

(ii) the amount by which the GST exclusive consideration is increased must be paid to the Supplier by the Recipient without set off, deduction or requirement for demand, at the same time as the GST exclusive consideration is payable or to be provided subject to the production of a tax invoice.

(d) If a payment to a party under this Lease is a reimbursement or indemnification, calculated by reference to a loss, cost or expense incurred by that party, then the payment will be reduced by the amount of any input tax credit to which that party is entitled for that loss, cost or expense.

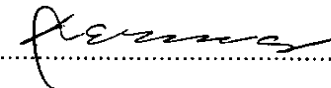

29 Grant of new lease

The Lessor agrees to grant a new lease under this clause 29 on the Terminating Date to commence on the next day only if:

- (a) the Lessee gives the Lessor a notice stating that it wants a new lease of the Premises for a term of 25 years; and
- (b) the Lessor receives that notice within the period from and including the day that is twelve months before the Terminating Date to but excluding the Terminating Date; and
- (c) when the Lessee gives that notice, and on the Terminating Date, the Lessee is not in breach of this Lease.

The new lease is to be identical with the Lease except that:

- (d) the term is to be 25 years; and
- (e) the commencement date is to be the day after the Terminating Date; and
- (f) the terminating date is to be the day which is 25 years after the commencement date; and
- (g) the new lease must reflect any variations to this Lease, whether registered or not, which become effective during the term of this Lease.

By-Laws for Infinity by Crown Group - Residential 1

1. About the by-laws

1.1 Purpose of the by-laws

The by-laws regulate the day-to-day management and operation of the Building. They are an essential document for the Owners Corporation and everyone who owns or occupies an Apartment.

1.2 Who must comply with the by-laws?

Owners and Occupiers must comply with the by-laws. The Owners Corporation must comply with the by-laws.

2. Strata Management Statement

2.1 Purpose

The Strata Management Statement regulates the management and operational issues affecting the Building and the various components of Infinity by Crown Group. It contains requirements (in addition to these by-laws) with which you and the Owners Corporation must comply including:

- (a) requirements for the use and operation of Shared Facilities; and
- (b) the apportionment of costs for Shared Facilities; and
- (c) insurance requirements.

2.2 Who must comply with the Strata Management Statement

You and the Owners Corporation must comply with the Strata Management Statement.

2.3 Copies of the Strata Management Statement

You should contact the Strata Manager if you would like a copy of the Strata Management Statement, at your cost.

2.4 Building Management Committee

- (a) The Building Management Committee is established under the Strata Management Statement to administer issues affecting the Building and the various components of Infinity by Crown Group. The Owners Corporation is a member of the Building Management Committee.
- (b) The Strata Committee is authorised to appoint a representative to represent and vote for the Owners Corporation at meetings of the Building Management Committee. That representative may be a member of the Strata Committee. If the Strata Committee

Approved Form 7	Strata Plan By-laws	Sheet 5 of 55 sheets
Registered:  13/05/2019		Office use only <h1 style="text-align: center;">SP92073</h1>

does not appoint a representative, the Owners Corporation must, by special resolution according to the Development Act, appoint a representative to represent and vote for it at meetings of the Building Management Committee.

2.5 Consents under the Strata Management Statement

Nothing in the by-laws gives you or the Owners Corporation consent to do anything which is prohibited or regulated by the Strata Management Statement. A consent under the by-laws does not relieve you or the Owners Corporation from obligations to obtain consents under the Strata Management Statement.

2.6 Inconsistencies between the by-laws and the Strata Management Statement

If there is an inconsistency between a by-law and the Strata Management Statement, the Owners Corporation must amend the inconsistent by-law to make it consistent with the Strata Management Statement.

2.7 Retail and commercial components of Infinity by Crown Group

- (a) Infinity by Crown Group contains residential, retail and commercial components. Owners and Occupiers of premises in the retail and commercial components will, subject to compliance with the by-laws for the retail or commercial strata scheme (if any) and the Strata Management Statement, be entitled to use their lots for any purpose approved by Council and other Government Agency having jurisdiction, which may include uses that have outdoor seating areas.
- (b) The hours of use of the retail and commercial premises and any associated outdoor seating areas will be as permitted by Council but subject to any limits in the strata by-laws for the retail or commercial strata scheme (if any) and in the Strata Management Statement.

3. Common Property Rights By-Laws

3.1 Purpose of the Common Property Rights By-Laws

To more fairly apportion the costs for maintaining, repairing and replacing Common Property, the Common Property Rights By-Laws make Owners responsible for the Common Property which they exclusively use or have the benefit of.

3.2 Interpreting this by-law

In this by-law, "you" means an Owner who has the benefit of a Common Property Rights By-Law.

3.3 How to change a Common Property Rights By-Law

The Owners Corporation may, by special resolution:

- (a) create, amend or cancel a Common Property Rights By-Law with the written consent of each Owner who benefits (or will benefit) from the Common Property Rights By-Law; and

Approved Form 7	Strata Plan By-laws	Sheet 6 of 55 sheets
Registered:  13/05/2019	Office use only SP92073	

- (b) amend or cancel this by-law only with the written consent of each Owner who benefits from a Common Property Rights By-Law.

3.4 Occupiers may exercise rights

You may allow another Owner or an Occupier to exercise your rights under a Common Property Rights By-Law. However, you remain responsible to the Owners Corporation and, where appropriate, Government Agencies to comply with your obligations under the Common Property Rights By-Law.

3.5 Regular accounts for your costs

If you are required under a Common Property Rights By-Law to contribute towards the costs of the Owners Corporation, the Owners Corporation must give you regular accounts of the amounts you owe. The Owners Corporation may:

- (a) include those amounts in notices for your administrative fund or capital works fund contributions; and
- (b) require you to pay those amounts in advance and quarterly (or for other periods reasonably determined by the Owners Corporation).

3.6 Repairing damage

You must repair damage you cause (or someone acting on your behalf causes) to Common Property or the property of another Owner or Occupier when exercising your rights or complying with your obligations under a Common Property Rights By-Law.

3.7 Indemnities

You indemnify the Owners Corporation against all claims and liability caused by exercising your rights or complying with your obligations under a Common Property Rights By-Law.

3.8 Additional insurances

In addition to your obligations under by-law 31 (Insurance premiums), you must reimburse the Owners Corporation for any increased premium for its insurance policies caused by exercising your rights or performing your obligations under a Common Property Rights By-Law.

4. Your behaviour

4.1 What are your general obligations?

You must not:

- (a) make noise or behave in a way that might unreasonably interfere with the use and enjoyment of an Apartment or Common Property by another Owner or Occupier; or
- (b) use language or behave in a way that might offend or embarrass another Owner or Occupier or their visitors; or

- (e) do anything in the Building which is illegal; or
- (f) do anything which might damage the good reputation of the Owners Corporation or the Building.

- (c) Common Property to which you have a licence, lease or a right to use under a Common Property Rights By-Law.

The laws with which you must comply include, but are not limited to, planning laws, development, building and other approvals, consents, requirements, notices and orders of Government Agencies.

5. You are responsible for others

5.1 What are your obligations?

You must:

- (a) take all reasonable actions to ensure your visitors comply with the by-laws and the Strata Management Statement; and
- (b) make your visitors leave the Building if they do not comply with the by-laws or the Strata Management Statement; and
- (c) take reasonable care about who you invite into the Building or Infinity by Crown Group; and
- (d) accompany your visitors at all times, except when they are entering or leaving the Building or Infinity by Crown Group.

You must not allow another person to do anything which you cannot do under the by-laws or the Strata Management Statement.

5.2 Requirements if you lease your Apartment

If you lease or license your Apartment, you must:

Approved Form 7	Strata Plan By-laws	Sheet 8 of 55 sheets
Registered:  13/05/2019	Office use only SP92073	

- (a) provide your tenant or licensee with an up-to-date copy of the by-laws and the Strata Management Statement;
- (b) give the Owners Corporation the name, telephone number and email address of your lessee or licensee;
- (c) ensure that your tenant or licensee and their visitors comply with the by-laws and the Strata Management Statement;
- (d) include in the lease or licence provisions specifically requiring your tenant or licensee to:
 - (i) comply with by-law 6.21 (Occupancy limits); and
 - (ii) comply with by-law 6.22 (No short term letting);and include a provision recoding that breach of those provisions will be a material breach entitling you to terminate the lease without notice; and
- (e) take all action available to you, including action under the lease or licence agreement, to make them comply or leave the Building.

6. Your obligations

6.1 Strata Management Statement

You must comply with the provisions of the Strata Management Statement in addition to these By-Laws.

6.2 General obligations

You must:

- (a) keep your Apartment clean and tidy and in good repair and condition; and
- (b) properly maintain, repair and, where necessary, replace an installation or alteration made under the by-laws or the Strata Management Statement which service your Apartment (whether or not you made the installation or alteration); and
- (c) notify the Owners Corporation if you change the existing use of your Apartment in a way which may affect its insurance policies or premiums; and
- (d) notify the Building Management Committee if you change the existing use of your Apartment in a way which may affect its insurance policies or premiums; and
- (e) at your expense, comply with all laws about your Apartment, including requirements of Government Agencies.

6.3 When you will need consent from the Building Management Committee

Approved Form 7	Strata Plan By-laws	Sheet 9 of 55 sheets
Registered:  13/05/2019	Office use only SP92073	

- (a) carry out Building Works which will affect Shared Facilities or the external appearance of Infinity by Crown Group; or
- (b) install bars, screens, grilles, security locks or other safety devices on the interior or exterior of windows or doors in your Apartment if they are visible from outside your Apartment or Infinity by Crown Group; or
- (c) install an intruder alarm with an audible signal.

6.4 When will you need consent from the Owners Corporation?

Subject to the by-laws and the Strata Management Statement, you must have consent from the Owners Corporation to:

- (a) carry out Building Works; or
- (b) keep anything in your Apartment which is visible from outside the Apartment and is not in keeping with the appearance of the Building; or
- (c) install bars, screens, grilles, security locks or other safety devices on the interior or exterior of windows or doors in your Apartment if they are visible from outside your Apartment or the Building; or

6.5 Floor coverings

If you are an Owner, you must keep the floors in your Apartment covered or treated to stop the transmission of noise that might unreasonably disturb another Owner or Occupier.

6.6 Changing floor coverings

You must have consent from the Owners Corporation to change, remove or interfere with floor coverings in your Apartment or to change, remove or interfere with treatments in your Apartment that assist to prevent the transmission of noise which might unreasonably disturb another Owner or Occupier. When seeking consent to change, replace or interfere with floor coverings or acoustic treatments you must give the Owners Corporation evidence to their reasonable satisfaction (which may include an acoustic consultant's report) that the replacement or changed floor covering and acoustic treatment will provide the same or better noise insulation. The Owners Corporation must not unreasonably withhold or delay its consent. On completion of the installation, you must give the Owners Corporation certification to their reasonable satisfaction (which may be an acoustic consultant's certificate) that the new floor covering and acoustic treatment does provide the same or better noise insulation than the replaced floor covering or acoustic treatment. The Strata Committee is empowered to perform the Owners Corporation's functions under this by-law 6.6.

STATE PLANNING INSTRUMENTS

Full copies of State Environmental Planning Policies are available online at www.planning.nsw.gov.au.

State Environmental Planning Policy No. 19 – Bushland in Urban Areas

This is a policy to protect and preserve bushland within certain urban areas, as part of the natural heritage or for recreational, educational and scientific purposes. This policy is designed to protect bushland in public open space zones and reservations, and to ensure that bush preservation is given a high priority when local environmental plans for urban development are prepared.

State Environmental Planning Policy No. 32 – Urban Consolidation

This policy implements the principles of urban consolidation, including the orderly, economic use and development of land. The policy enables urban land which is no longer required for the purpose for which it is currently zoned or used to be redeveloped for multi-unit housing and related development.

State Environmental Planning Policy No. 33 – Hazardous and Offensive Development

This policy aims to amend the definitions of hazardous and offensive industries; to render ineffective any environmental planning instruments not defining hazardous or offensive as per this policy; to control development of hazardous and offensive industries.

State Environmental Planning Policy No. 55 – Remediation of Land

This policy provides planning controls for the remediation of contaminated land. The policy states that land must not be developed if it is unsuitable for a proposed use because it is contaminated. If the land is unsuitable, remediation must take place before the land is developed. The policy makes remediation permissible across the State, defines when consent is required, requires all remediation to comply with standards, ensures land is investigated if contamination is suspected, and requires councils to be notified of all remediation proposals. To assist councils and developers, the Department, in conjunction with the Environment Protection Authority, has prepared Managing Land Contamination: Planning Guidelines.

State Environmental Planning Policy No. 64 – Advertising and Signage

This policy aims to ensure that signage (including advertising):

Is compatible with the desired amenity and visual character of an area, and

- Provides effective communications in suitable locations, and
- Is of a high quality design and finish.

To this end the policy regulates signage (but not content) under Part 4 of the Act and provides limited time consents for the display of certain advertisements. The policy does not apply to signage that is exempt development under an environmental planning instrument. It does apply to all signage that can be displayed with or without consent and is visible from any public place or reserve, except as provided by the policy.

This policy should be read in conjunction with the Sydney Local Environmental Plan 2005, the City of Sydney Signage and Advertising Structures Development Control Plan 2005 and State Environmental Planning Policy No. 60 where these apply.

State Environmental Planning Policy No. 65 – Design Quality of Residential Flat Buildings

This policy aims to improve the design quality of flats of three or more storeys with four or more self contained dwellings. The policy sets out a series of design principles for local councils to consider when assessing development proposals for residential flat development. The policy also creates a role for an independent design review panel and requires the involvement of a qualified designer in the design and approval process.

State Environmental Planning Policy No.70 – Affordable Housing (Revised Schemes) (Gazetted 31.05.02)

The policy identifies that there is a need for affordable housing in the City of Sydney, describes the kinds of households for which affordable housing may be provided and makes a requirement with respect to the imposition of conditions relating to the provision of affordable housing (provided other requirements under the Act are met).

State Environmental Planning Policy (Housing for Seniors or People with a Disability) 2004

This Policy does not apply to land described in Schedule 1 (Environmentally sensitive land), or land that is zoned for industrial purposes, or land to which an interim heritage order made under the *Heritage Act 1997* by the Minister administering that Act applies, or land to which a listing on the State Heritage Register kept under the *Heritage Act 1997* applies.

The Policy aims to encourage the provision of housing (including residential care facilities) that will increase the supply and diversity of residences that meet the needs of seniors or people with a disability, and make efficient use of existing infrastructure and services, and be of good design.

State Environmental Planning Policy (Building Sustainability Index: BASIX) 2004

Aims to ensure consistency in the implementation of the BASIX scheme throughout the State. This Policy achieves its aim by overriding provisions of other environmental planning instruments and development control plans that would otherwise add to, subtract from or modify any obligations arising under the BASIX scheme.

Dear Mr Brennan

I refer to correspondence dated 1 June 2015 concerning the proposal for Crown Green Square Developments Pty Ltd to sell new dwellings to be constructed at 301 -303 Botany Road, Waterloo, New South Wales (Development) to foreign persons.

There are no objections to this proposal in terms of the Government's Foreign Investment Policy subject to the conditions below.

Certificate

This letter constitutes a Certificate issued under regulation 3(e) of the *Foreign Acquisitions and Takeovers Regulations 1989* which permits Crown Green Square Developments Pty Ltd to sell new dwellings in the Development to foreign persons on condition Crown Green Square Developments Pty Ltd:

- (a) provides a copy of this Certificate to each prospective foreign purchaser of a new dwelling (including those that have been rented for less than 12 months); and
- (b) provides a report annually to the Foreign Investment Review Board which includes all of the information requested in the Advanced-off-the-Plan Report form at:
http://www.firb.gov.au/content/real_estate/other/developers.asp

In responding to this proposal, Crown Green Square Developments Pty Ltd is reminded of its obligation to ensure that the Development is marketed in Australia.

This Certificate exempts prospective foreign persons (and their associates) purchasing new dwellings (up to a total of \$3 million) in the Development from the requirement that they individually notify the Treasurer and obtain foreign investment approvals for their acquisitions. Foreign persons (and their associates) are required to apply separately to the Foreign Investment Review Board if they wish to acquire new dwellings in the Development with a total value of more than \$3 million.

This Certificate is not transferable.

Yours sincerely

John Hill
