An architectural rendering of a modern multi-story apartment building at dusk. The building features large glass windows and balconies with glass railings. The interior lights are on, and the balconies are furnished with outdoor furniture. In the foreground, there is a lush garden courtyard with trees, a paved walkway, and a covered outdoor seating area. The sky is a mix of blue and orange, suggesting sunset or sunrise. The overall atmosphere is one of a modern, green, and comfortable living environment.
