WELCOME TO ARTFUL LIVING

A residential oasis in the heart of modern Eastern Suburbs life, Uccello is the first release within the much-anticipated Pagewood Centro masterplanned community.

The Pagewood Centro masterplan is part of an island development unlike anything seen before in Australia. It will build on the success of Meriton's first masterplan within the precinct, Pagewood Green, where a standout 95% of all apartments are now occupied, which is testament to this fantastic location and quality product.

Uccello's two magnificent sculptural buildings will rise 20 levels above the brand new Pagewood Centro retail precinct which will form the much anticipated Town Centre. Uccello will boast the tallest towers in Pagewood and Eastgardens and will be bookended by two expansive parks. Positioned along tree-lined boulevards, apartments will capture breathtaking uninterrupted views of local golf courses, parklands, the Sydney CBD and Maroubra Beach.

A host of exceptional onsite amenities, childcare centres and Pagewood Centro's very own bus stop offers a wonderful resort lifestyle you'll never want to leave, all just moments to famous beaches, leading educational institutions and medical hubs.

As the centrepiece of the masterplan, Uccello's two towers will make a dramatic statement with their unique curved facades. They have been strategically designed to maximise solar aspect and views, with many apartments enjoying corner positions with dual aspects, flooding them with sunlight and fresh air.

- ⊕ Uccello presents a debut collection of 4 bedroom apartments, due to demand from families and those desiring house-like proportions in the sky
