Dear HTCB NSW1

Thank you for giving us the opportunity to quote on your build.

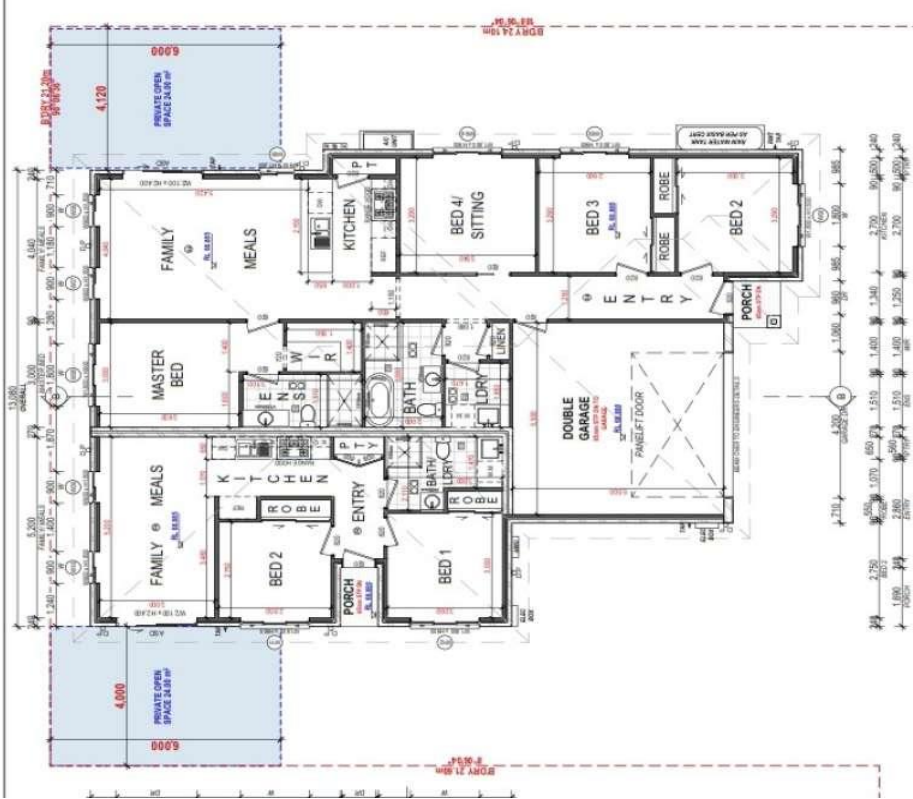

The following is a breakdown of the costs required on our part to build your dream home.

We hope this quote is satisfactory in helping you understand the various elements of your home which have culminated in the cost of building your home.

You will see an itemised breakdown of the costs, followed by the specifications required for the execution

Regards,  
Karan Paig

## House Size - 216.90 Sqm

The above plan is for illustration purposes only. The plan would be finalized at a later stage.
