

The background image shows a bright, modern living room. In the center is a teal-colored sofa with several cushions: two with a brown and white zigzag pattern, and two plain yellow ones. A plaid blanket is draped over the left side of the sofa. In front of the sofa is a round, light-colored wooden coffee table with three legs, holding a small potted plant, some books, and a white cup. Behind the sofa is a tall, white modular shelving unit with multiple shelves. The shelves are decorated with various items including books, vases, a small potted plant, and a bicycle-shaped wall sculpture. To the left of the sofa, there is a floor lamp with a copper-colored shade and a yellow knitted pouf. The floor is covered with a large rug featuring a teal and white geometric pattern. The overall aesthetic is clean and contemporary.
